

Supporting Women Entrepreneurs Spotlighting Sorors Kelly Dargins and Michele Aikens Owners of Yard Talk Charlotte

If you have a special event to celebrate, a birthday, birth of a child, graduation, engagement, wedding, you name it, Yard Talk Charlotte has a yard sign to help bring your celebration to life. Soror Kelly and Soror Michele can be found crisscrossing Mecklenburg County placing and removing signs before work, before chapter meetings, before church, the day and time does not matter, your sign will be there when the recipient open their eyes the morning of their special day.

Yard Talk Charlotte seeks to create artistic memories in your yard to celebrate all of your life events. The two close friends, sorority sisters and now business owners were inspired to open their own business after renting a yard card from another vendor, the statement “we can do this” manifested to “let’s do this” and Yard Talk Charlotte was born. The key ingredient for the success of their business has been their combined desire to bring instant joy to those they serve thru yard carding.

The process to request a yard card is as easy as a few keystrokes. Visit the [Yard Talk Charlotte website](http://www.yardtalkllc.com), click on the How It Works page and complete the [Book Now](#) form. It is just that simple to bring a smile to a loved one’s face.

Soror Kelly and Soror Michele, can't wait to help you with your next celebration and make your Yard Talk!
